

# Get to know your watercolours

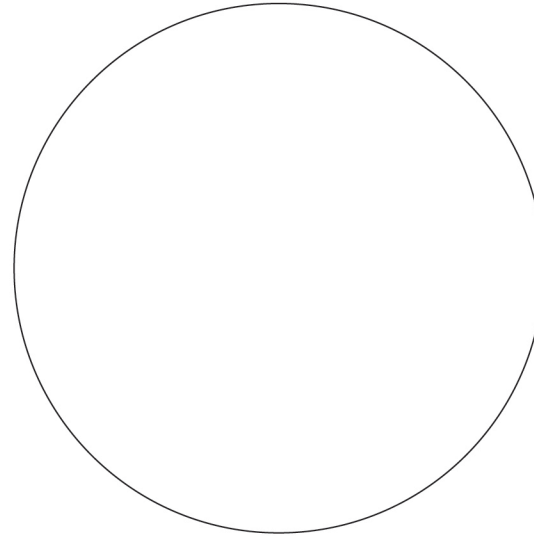

BY CHLO & CO CREATIVES SHARE YOUR WORK WITH US ON FACEBOOK OR INSTAGRAM

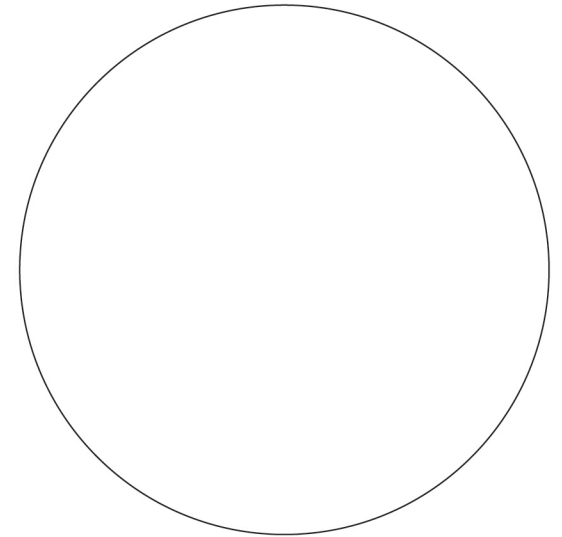

Use the squares to discover the colours on your palette

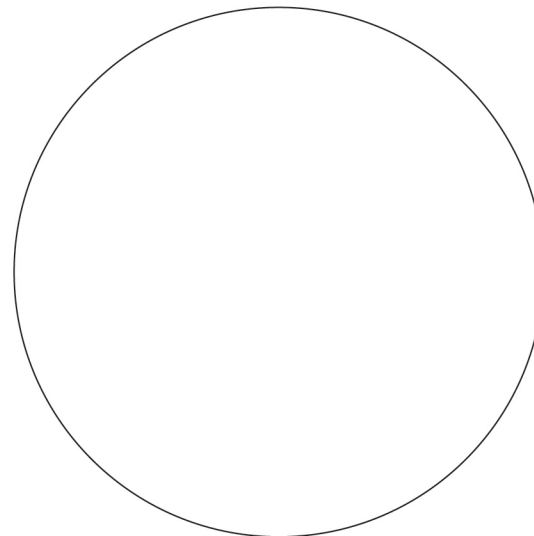

Using one colour and different amounts of water, create a gradient (dark to light)

Add cool colours to this circle  
(purples, blues, greens)

Add warm colours to this circle  
(reds, oranges, yellows)

Choose one colour and add different  
tones of it to this circle

**Tip:**  
Turn this page over  
to use it for colour  
testing or mixing!
